## EUROPE STANDS UPON BRINK OF IMMEASURABLE CATASTROPHE

**PREMIER ASQUITH MAKES THIS STATE-  
MENT LATE TODAY SUMMARIZ-  
ING WAR SITUATION.**

### HANGS ON WORD OF KAISER

All Officialdom is Certain That Word  
Will be for War—Germany Serves  
Notice on Russia.

### EXPLANATION IS IN ORDER

Berlin is Using Every Second of De-  
lay to Prepare Her Machine—  
Approach of Crisis Admitted.

(By United Press.)  
London, England, July 30.—Europe stood at sundown upon the brink of what Premier Asquith termed "an immeasurable catastrophe." The fate of Europe hangs on the next word of Kaiser Wilhelm. All officialdom believes the word will be for war.

Austria has invaded Serbia and fighting between Austrians and Serbians is in progress at several points. Belgrade has been occupied. Russia is mobilizing her army on the Austrian frontier. The Kaiser has demanded an explanation from the Czar. Russia's answer is almost certain to be unsatisfactory. In that case general war must result. St. Petersburg, Berlin, Paris, London and Rome all admit the approach of the crises. Berlin is using every second of delay to prepare her war machine.

### TENSION SNAPS.

(By United Press.)  
Berlin, Germany, July 30.—The extreme tension in Berlin snapped and the wildest excitement followed the issuance of extra editions of the semi-official paper declaring that mobilization of the German army had been ordered by the Emperor.

Coming at the same time were reports that the Kaiser, having given the Czar 24 hours in which to explain Russia's mobilization, the city was thrown into a fever of excitement.

Upon denials by the foreign office that mobilization orders had not been issued the semi-official paper made frantic efforts to recall its extra. A second extra was issued carrying the denial of the foreign office, but not admitting there was some truth in the rumor.

### WAR OFFICE STATEMENT.

(By United Press.)  
Berlin, Germany, July 30.—"Germany has taken decisive steps on St. Petersburg, Paris and other European capitals in the past hour, the result of which will determine the issue of war or peace."

The foreign office late this afternoon authorized the United Press to make that statement. It continues:

"Germany has faithfully kept the peace and reports of mobilization of German troops have been premature. Germany has made no war move. Now, the fatherland must decide upon measures calculated to meet the dangerous situation resulting from Russia's activity on the frontier."

Germany is today prepared to declare war upon Russia unless the Czar offers a satisfactory explanation of his war move. The situation was in the hands of the general staff. Belief prevails that the Czar would not be willing to explain his mobilization orders.

## LATE WAR FLASHES

RUSSIA GIVEN 24 HOURS

(By United Press.)  
Berlin, Germany, July 30.—The German Day News, powerful imperialistic paper tonight confirms the report that Germany today served notice on Russia that an explanation Russia's mobilization of troops must be forthcoming in 24 hours.

### ULTIMATUM REPORTED.

(By United Press.)  
London, England, July 30.—It is reported here that Germany has issued a 24 hour ultimatum to Russia demanding an explanation of the mobilization of the army on the Austrian frontier.

### PROPOSES STRIKE.

(By United Press.)  
Milwaukee, Wis., July 30.—Victor Berger, former Socialist congressman, today proposed a general strike in countries outside Austria and Serbia as a method of localizing the conflict.

### AUSTRIAN EMPEROR CHEERED

(By United Press.)  
Vienna, Austria, July 30.—Emperor Franz Joseph arrived here today and was greeted by cheering throngs. The emperor is expected to leave soon for Budapest that he may be nearer the scene of action in the war with Serbia.

### \$1.00 WHEAT AT MONTREAL

Montreal, Canada, July 30.—Wheat went over a dollar in Montreal today. At eleven o'clock it was one dollar and one-eighths cents and then fell off.

### STOCK EXCHANGES CLOSE.

(By United Press.)  
London, England, July 30.—Vienna notified the stock exchange here today that business had been suspended for an indefinite period. Rome and Milan stock exchanges informed London of their expiration of their time contracts.

### JAPAN TO HELP BRITISH.

(By United Press.)  
Tokio, Japan, July 30.—The semi-official paper of Japan today declares that if England is attacked, Japan will give assistance to British arms.

### DOLLAR WHEAT.

(By United Press.)  
Chicago, Ill., July 30.—Dollar wheat was reached and passed on the board of trade today when war talk brought values up. December wheat was quoted at one dollar before noon and May futures passed that mark.

### WHEAT HIGH MARK.

(By United Press.)  
Indianapolis, Ind., July 30.—Wheat closed today 93½ and 94, a new high mark.

### RIOTIOUS SCENES.

(By United Press.)  
Chicago, Ill., July 30.—Riotious scenes were renewed at the opening of the board of trade today on the strength of the over night war developments and wheat prices again jumped four to ten cents on a frantic rush to buy.

## HAS GONE TOO FAR TO STOP NOW

Russia Gives That Answer to Ger-  
man Ambassador Who Protests  
Against Mobilization.

### DECLARES IT IS PARTIAL

Foreign Office Says There is Still  
Chance to Evert War if Austria  
Will Withdraw From Servia.

### BULLETIN.

(By United Press.)  
St. Petersburg, Russia, July 30.—Orders for Russian mobilization have gone too far to be stopped now. This was the answer made by minister of foreign affairs Sazonov today to a protest by the German ambassador against the concentration of the Czar's forces. Sazonov declared the mobilization was only partial.

(By United Press.)  
St. Petersburg, Russia, July 30.—Russia today officially notified Germany and Austria of the mobilization of fourteen army corps numbering 1,200,000 men. The Czar is said to have declared he will personally command the army in case of war.

The mobilization of the fourteen corps does not mean that war is inevitable. The troops are to be massed around the Austrian frontier. The foreign office stated intervention might yet be averted if Austria would withdraw from Servia and cease military preparations.

The Czar today called thousands of reservists to the colors.

Fighting between Austrians and Servians was on today at two points south of Belgrade, state dispatches issued here. President of the Council Goremykin issued this ultimatum in the form of a settlement of the European imbroglio:  
"Russia is determined not to allow Servia to be crushed, and will fulfill its duty in regard to this small kingdom, which has suffered so much at Austria's hands. Russia will not be frightened by any threats Austria may address to her, as she knows her obligation to her Slav brethren in the Balkans, and will not consent to Servia becoming an Austrian vassal."

"European equilibrium demands the Slav kingdom retain its independence, which Russia will uphold to the end. To this effect Russia shall take all measures that the gravity of the situation requires, so as to be able to successfully offset Austria's intrigue."

Russia does not swerve from her determination to support Servia, and partial mobilization has already been ordered. There is every indication that the whole vast military machinery of Russia will soon be set in motion.

An imperial manifesto is awaited. Should Emperor Nicholas become Generalissimo of the forces, as it is understood he will, an immense wave of enthusiasm will sweep over Russia. His second cousin, Grand Duke Nicholas Nikolaievitch, and General Soukhomlinoff, the Minister of War, would be seconds in command.

The political parties have sunk their differences. The general attitude is not "jingoistic," but one of resolute confidence in the justice of the country's cause and readiness to make all sacrifices.

The proposal attributed to Austria to discuss terms when Belgrade has been occupied is regarded as impossible. It is pointed out that before opening of hostilities Russia proposed to Austria direct exchange of

## DAY LIKELY TO BE OBSERVED HERE

October 2 Will be Given Over to  
Thoughts and Acts Which Will  
Make For Better Health.

### OFFICIALS GET LETTERS

Mayor C. L. Bebout Appoints Health  
and School Officials as Commit-  
tee on Arrangements.

Mayor C. L. Bebout, Dr. E. I. Wooden, secretary of the city health board, Dr. W. C. Smith, county health commissioner, and J. H. Scholl, superintendent of the city schools, have all received letters pertaining to Disease Prevention Day which will be observed all over the state October 2. The local officials are urged to join in the movement and it is likely that the day will be observed here and a demonstration arranged.

Governor Ralston will in a few days issue a proclamation urging all the people of the state to observe October 2 as Disease Prevention Day and to give up one day that is devoted to thinking, saying and doing those things which will conduce better health.

The plan is original with Indiana and the idea is to interest every man, woman and child in the state in public health. The purpose is to put on a state wide demonstration against preventable disease on this day. In making preparations for the day Mayor Bebout has appointed a committee, and although the day is some distance away, it is thought best to start work on the plans, if the day is to be observed here.

On the committee Mayor Bebout has appointed the officers of the Rush County Society for the Study and Prevention of tuberculosis, Dr. Wooden, Dr. Smith and Prof. Scholl. The complete committee is as follows: Dr. W. S. Coleman, C. M. George, Miss Norma Smith, Miss Anna Bohannon, Dr. E. I. Wooden, Dr. W. C. Smith and Prof. J. H. Scholl.

If it is decided to observe the day in a general way over the city this committee will appoint a sub-committee to assist in the work. There are several ways that the day can be observed, according to the plan as sent out by the executive committee from Indianapolis.

One is to have a parade or pageant. Social, commercial, religious and other organizations could take part. The school children would be expected to march and floats, portraying in an interesting way the fight against the cost of such preventable diseases as typhoid, tuberculosis, smallpox and others, could be entered in the parade by individuals or organizations.

## WILL INVESTIGATE C. H. & D.

Interstate Commerce Commission Is-  
sues a Formal Order Today.

Washington, July 30.—The interstate commerce commission today issued a formal order for investigation "concerning the character service, physical conditions of the equipment and property and financial history, of the Cincinnati, Hamilton and Dayton railroad." Messages were sent to the company that it should appear and be ready to testify and produce books and papers.

## FIRE LOSS IS NEAR \$10,000

Large Barn on John Widau Farm  
Near Raleigh Burns and Live  
Stock is Consumed.

### 4 HORSES, COLT AND A MULE

Believed Sparks From an Engine  
Lost in Threshing There Yes-  
terday Caused the Fire.

A fire loss estimated at from \$7,000 to \$10,000 was sustained by John Widau last night when a large barn, a tool shed and two straw stacks burned on his farm southwest of Raleigh. Mr. Widau carried insurance in the Farmers Insurance company and it is believed his loss will be fully covered. The barn was a large one and contained a large amount of grain and hay. Four horses, a colt and one mule perished in the flames.

The barn was east of the Widau home and on the south side of the road. The origin of the fire is not known but is believed sparks from an engine used in threshing there yesterday fired the barn. The threshing outfit was at the Widau home yesterday and the work was not completed until rather late yesterday evening.

The fire was discovered shortly after eight o'clock and at that time the barn was in flames. An effort was made to save the live stock but this was impossible. The hay now was full of hay and Widau had about two hundred bushels of wheat and about as much oats. Practically all of his farming implements were in the barn. Nothing was saved.

The fire spread from the barn to a tool shed and then to the straw stacks. For a time it was feared that the Widau home would burn but neighbors formed a bucket brigade and through their efforts the residence was saved. The blaze from the fire was seen for miles and attracted a large crowd.

## GRABBED FOR HAT; AUTO TURNS OVER

Earl Henderson Loses Control of  
Machine and Escapes With  
Two Broken Ribs.

### ACCIDENT IN RICHLAND

Earl Henderson, living south of Richland, sustained two broken ribs and numerous bruises last night in an automobile accident. Mr. Henderson was returning home from the Milroy chautauqua and was driving a light machine. When near Richland his hat blew off. In an attempt to catch it Mr. Henderson took both hands from the steering wheel and made a grab for it. He lost control of the auto and it turned over pinning him underneath.

He had no more than taken his hands from the steering wheel when the machine headed for one side of the road and then turned over. The injuries while quite painful are not expected to prove serious.

## PROTENDS NEW CROWD RECORDS

Early Sale of Guarantors' Season  
Tickets Indicates Unusual In-  
terest in Chautauqua.

### OPENS SUNDAY AFTERNOON

With the Class of Talent This Year,  
Officials Feel Assembly Should  
Receive Good Support.

Guarantors' season ticket for the annual Rush county chautauqua, which opens at the Coliseum in the city park next Sunday afternoon at two o'clock and continues for eight days, are more scarce, in the opinion of many people than they have ever been at this date previous to the chautauqua. This is taken as an indication that more interest attaches to the chautauqua than ever before.

"Will the chautauqua be as good this year as it was last?" asked a woman who called the Republican office this morning.

Will it be as good? The question is almost superfluous. Is the chautauqua any better than it was last year? When the talent alone costs approximately five hundred dollars more than last year, when one of the first concert bands of the nation will give two concerts here, when such men as Booker T. Washington, Lincoln McConnell, Dr. Herbert L. Willett, Bishop W. O. Shephard, Albert E. Wiggam, Bob Seeds, Albert Wiggam and Strickland W. Gillilan, combining pathos, the acme of oratory, logic fun and practical knowledge, will lecture; when the Schuman Quintet, Norton's orchestra, which is a band within itself, and the Oxfords, a premier grand opera company, will give the preludes and full concerts.

The program committee of the chautauqua feels that this year's chautauqua will be the most successful one ever staged. Early indications pretend the best attendance ever registered in Rush county. The program committee has attempted to get up a well balanced program, so there will be no really big days, but some of the programs are so big that they can not but draw larger crowds than the others.

The last Sunday is generally the biggest day of the chautauqua, but it will have to be a good one, all other conditions being good, if Wednesday, when Weber's band is here, and Friday, when Lincoln McConnell is here in the afternoon and Booker T. Washington at night, do not excel it. Lincoln McConnell is sure to attract

## Preserving Time

"Preserving time" is still hot tiresome work, but not nearly so hard as it used to be.

Many utensils have been invented to make it easier—many things to lessen the heat and lighten the labor.

Many of these are standard trade-marked articles.

Most of them are to be found in the better stores of the town.

From day to day women will find welcome hints in the advertising of The Daily Republican as to how to make "preserving time" easier.

Only one of many reasons for reading the advertising today.

**MRS. MABEN WAS MADE WELL**

By Lydia E. Pinkham's Vegetable Compound and Wants Other Suffering Women To Know It.

Murfreesboro, Tenn. — "I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was a sufferer from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good so I tried the Lydia E. Pinkham Remedies — Vegetable Compound and Sanative Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it." — Mrs. H. E. MABEN, 211 S. Spring, St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

**Why Lose Hope.**

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

**TEMPERATURE IS BELOW 80 ALL DAY**

Weather Man Keeps His Word This Time and Sends in the Lower Temperature—54 Last Night.

**BACK AT OLD TRICKS THOUGH**

The weather man kept his word today and sent cooler weather, even cooler than yesterday—and that is saying a good deal. Yesterday was cool, but today—the English language lacks words to express it. The temperature was below eighty all day. Even thermometers down town this afternoon only registered seventy-nine degrees. Meanwhile the weather man says "Fair tonight and Friday." It may be observed that he is back at his old tricks avoiding the temperature question again. That probably means warmer weather for tomorrow.

Last night the mercury fell to fifty-four degrees above zero. That was the coldest night of the summer.

"Well, there's no use going to the lakes," said the man who was "sunning" himself today, "when they treat you like this in Rushville."

**No Answer Yet**

It has now been three months since Howard Maxwell, before the Indiana Republican State Convention, exposed the reckless extravagance of Democratic administrations in the conduct of Indiana's financial affairs but to date no Democratic official has seen fit to answer his remarks. Mr. Maxwell said:

"The facts are that under Democratic administration the number of Boards, Commissions and offices has persistently increased. There is not a single department of State, with offices at the State House, in which increased salary has not been given to the chief officer or some one or more of his deputies. At the State House alone at least fifty additional positions have been created since the close of Republican administration, and if you consider appointees under various recently created Boards, not drawing their pay direct from the State Treasury, the number of such increases runs into the hundreds. This increase of salary to former officers and deputies, added to salary paid new officers and deputies, all officing at the State House, aggregates the total sum annually of \$138,450.00. New boards have been established. The Legislature of 1911 created four Commissions. That of 1913 three Commissions. In 1908, the last year of Republican Administration, the total annual expense of all the Boards and Commissions, then existing was \$317,098.67, while in 1913, the total annual expense of the Boards and Commissions now existing was \$533,430.18, and increase of \$216,331.51 or 68 per cent. If in 1908, we had, according to Governor

Marshall, too much government, we are certainly boiling over with government now. The Democratic party has signally failed to keep its promise to the people."

## PROTENNS NEW CROWD RECORDS

Continued from Page 1.

a big crowd. He was here two or three times in the early chautauqua days and won a great following of admirers who were drawn to the man by his quaint story telling, his happy way of expressing himself, his wonderful pathos which in the next instant becomes boisterous fun.

Booker T. Washington, the foremost man of his race, is bound to attract a big crowd. He is making only a few lecture engagements this year and Rush county was fortunate enough to get one. Booker T. Washington is a cultured, refined gentleman and it is impossible to hear him without feeling the effects of his wonderful personality.

The two Sunday men, Dr. Willetts, the first one, and Bishop Shepard, are leaders on the chautauqua platform. They are capable, brilliant men, masterful orators, who have compelling personalities. The committee sought for a long time to find a man who could fill the void on the last Sunday program and when they found it possible to get Bishop Shepard, they clinched the date at once.

Without exception, the music this year is the best ever arranged. Weber's band stands first as an organization which will attract a crowd. Norton's band and orchestra of ten college bred men, every one a soloist, is an excellent organization. The Shuman Quintet is able to present concerts that have won the highest praise before audiences in large cities. Carl Lampert, the leader, was for nine years at the head of the first division of violins in the great Thomas orchestra. The Oxford com-

pany is unexcelled as a delineator of grand opera. It also gives delightful preludes of popular airs. The Kaffir boys' choir is possibly the most unique organization on the chautauqua platform.

Chautauqua goes will have a chance to hear some excellent home talent at the preludes the first day when Miss Leona Thomas will play the violin and Miss Martha Hogsett will both play and sing. Miss Hogsett was on the Lyceum stage last winter with the Jess Pugh company. Helen Axe Brown of Valparaiso will assist in the first Sunday preludes.

## TAKES EVIDENCE UNDER ADVISEMENT

**Mayor Bebout Hears "Bootlegging" Case of Willard Bennett and Will Decide Later**

**SWEET CASE SET FOR MONDAY**

The case against Willard Bennett, charged with "bootlegging", was taken under advisement following the hearing last night by Mayor Bebout. Bennett was alleged to have sold a quart of whiskey to Henry Graham and the evidence was very contradictory. Graham testified that he gave Bennett one dollar and that in a few minutes Bennett returned and gave him a quart of whiskey. The transaction was alleged to have taken place Sunday afternoon at the corner of the Rush County National bank.

Bennett, in his defense, told an altogether different story. He stated that Graham approached Charles Sweet and himself and flashed the quart of whiskey and asked them if they did not want a drink. They went to the Smiley barber shop in West Second street, and according to Bennett, they had two drinks each. Sweet will be tried on a similar charge Monday afternoon.

**AUTHOR OF PANAMA WORK WILL SPEAK**

Frank A. Gause, Five Years Superintendent in Canal Zone, Will Lecture at Milroy.

**GOVERNOR VESSEY TONIGHT**

Reports from Milroy indicate that the first chautauqua there, which is in progress now, is being attended by good crowds and that the people of Milroy and vicinity are immensely pleased with the program so far. Tomorrow's program is looked forward to with much interest because then Frank A. Gause, for five years superintendent of the school in Panama and author of one of the few books on Panama that has received the approval of the United States government, will give two lectures, one in the afternoon and one at night. In the last one he will use stereopticon views and moving pictures. Tom Morgan, baritone soloist, assisted by J. S. Wright, pianist, and J. R. Barkley, cartoonist and clay modeler, will give the preludes.

The Play-singers, a woman's orchestra and dramatic company, combined, gave a full program this afternoon and tonight Gov. R. S. Vessey of South Dakota will lecture on the subject, "Think it Over." His lecture deals with the social and economic problems and home and community building.

## ARCADIANS ARE AFTER REVENGE

Will go to Connersville Sunday Confident of Winning From Remington's Team.

### CROWD TO ACCOMPANY TEAM

Newcastle Hoosiers Have Been Booked to Play in This City on August 9.

"Beat Connersville," is the cry of the fans and a real ball game is expected Sunday when the two teams meet in Connersville. Manager Davidson believes his bunch of sluggers will turn the trick and the fans are all pulling for a victory. They are anxious for revenge for those two former defeats. It will be an altogether different proposition that the Connersville team will face next Sunday and they will find the Arcadians in the game until the finish.

Because of the easy traction facilities a large crowd of rooters will accompany the team. The two cities have long been rivals in the baseball business and according to the dope the game should be one of the best of the season. Manager Davidson is not under estimating the strength of the Connersville team but firmly believes that Arcadians to be the best team. Rushville, he believes should win on merit alone.

The game the fans have been clamoring for all season will be played here on August 9. On this Sunday the Newcastle Hoosiers will be the attraction against the Arcadians. The fans have been wanting a chance to take Newcastle and believe the way the team is traveling at present that Newcastle will not have a show.

When the Hoosiers and Arcadians meet there is always something doing and the Arcadians have a chance of revenge for the two defeats Romine handed the team last year. Newcastle will come here on a special train.

The Connersville Examiner has the following to say concerning the game there Sunday:

Next Sunday the Connersville Greys will meet the fast Rushville baseball team at Whitewater park and, according to the dope handed out by the Rushville fans, something will be doing when the two teams get together. Rushville is still smarting under the defeat given them by the local team on their own lot, and since that time they have strengthened their team until now they have one of the fastest clubs in the state.

Word has come to Manager Remington that he can expect to get a wallop if it can be done, and that the visitors are counting on going back with the large end of the score. Rushville is very jubilant over the fact that Connersville was shut out at Richmond and they point to this defeat as indicating what they will do when they unlimber on the local grounds. The local club will be in fighting shape however, and they do not intend to let the visitors put one over on them if they can help it, in fact, the management feels confident the local team will give the Rushville bunch a run for their money in Sunday's contest.

### OBJECT TO BICYCLE RACES.

Residents of West First street are complaining about the bicycle races which are being run on the sidewalks in that part of the city. They say they have no objections to mail carriers and newsboys to ride up on the sidewalks to save time so long as they are careful, but they object to men and boys riding fast two abreast for fear some one will be hurt.

## FOR TENNIS CHAMPIONSHIP

Game Will be Played Between Manilla and Shelbyville Tonight.

Manilla has accepted the challenge of the Shelbyville championship croquet team and tonight will attempt to bring back the championship. The game will be played tonight on the Presbyterian court in Shelbyville starting at seven o'clock. Dr. Charles Zike, of Manilla and Carl Smith, of Rays Crossing, formerly of Manilla, will represent Manilla in the contest and will be opposed by Shelbyville's championship team composed of Dr. R. F. Barnard and Anderville Shaw. Much interest is being shown in the contest and word from Manilla is that their team has been practicing hard for the contest. Barnard and Shaw recently defeated the Fairland team and believe they cannot be beaten.

## CHRISTIANS LOSE TO LITTLE FLATROCK

Country Boys, Newcomers in Sunday School League, Put One Over Wednesday, 14 to 4.

### 2 M. E. TEAMS PLAY SATURDAY

The next game in the Sunday school baseball league will be played at the South Main street grounds Saturday afternoon at three o'clock between the New Salem M. E. team and the St. Paul's M. E. team of this city. The Little Flatrock team walloped the Main Street Christian bunch 14 to 4 yesterday afternoon largely because of the inability of the Christian's catcher to hold Newton Halterman, who is doing the twirling for the Main Street Christians this year. Last year he pitched for Big Flatrock.

Norris brothers formed the battery for the Little Flatrock team in its initial game. The Rushville Sunday schoolers got to Norris for a few hits, but they could not overcome the big lead. Ollie Brown caught for the Christians until his finger was hurt, and he then retired in favor of Fred Brown.

## NOTICE!

After a very careful consideration we have decided to change our business on August 1st to a strictly cash system.

Our main reason for doing this is that we are anxious to furnish you goods as low or even lower than any house offering like qualities. This we fully realize is not possible under the credit system, as loss from bad accounts (which is considerable, even with the best of care) must be made good by those who pay.

There is no getting around this. Stop and think carefully if you prefer to go and pay for your accommodations and help pay for those bad accounts and the expense connected, (which are big items that must be provided for), or would you rather get the benefit of a strictly cash system, of which, as a rule, you are already able to take advantage.

views, which Austria rejected.

It was announced that in Yalta and the surrounding districts in the Crimea a state of re-enforced protection or a modified form of martial law had been proclaimed by the Government.

A great patriotic demonstration took place on the Nevsky Prospect this afternoon. A procession was formed, and with banners flying marched to the Serbian Legation, where there were speeches, singing and cheering. Thence the procession moved to the French and British Embassies, where similar scenes of enthusiasm were enacted, the crowds increasing in size.

The cadets of the naval school were promoted to-day to the rank of officers. In addressing them the Emperor said:

"I have given orders that you should be incorporated in the navy in view of the serious events through which Russia is passing. During your service as officers do not forget what I say to you—trust in God and have faith in the glory and greatness of our mighty country."

## FIRE FIGHTERS ARE CRITICIZED

Recent Failures of Several Departments to Meet Emergency Causes.  
Unfavorable Comment

## HOSE IS WITHOUT A NOZZLE

One Barn Burned Because Firemen Were Watching Bathers in One-Piece Suits

(By United Press.)

Indianapolis, July 30.—Fire departments in various cities of Indiana have been receiving much criticism recently for alleged failure to meet the emergency, which comes to the fire-fighting business when it is least expected. One case in point is that of Miller, near Gary where the village fire fighters were so distracted by the appearance of pretty bathers in one-piece suits that they allowed a barn to be destroyed. Other instances have appeared where the firemen are said to have had even less excuse.

At Vincennes a fire came, and the citizens declared that the hose used did not have a nozzle, and that his important attachment was missing at just the time when its presence might have prevented a disastrous fire. These alleged facts were printed in a Vincennes newspaper, and the police chief became so angered over them that he assaulted the reporter said to have written the story. The newspaper printed the statements of many citizens who said the nozzle was lacking.

Laporte's department seemed to have made friends with a junk or hoodoo, for the engine arrived at the home of Earl Wise forty minutes after the fire started and after citizens had got the fire under control by means of a garden hose. The volunteer firemen hooted and jeered the paid crews when the gaudy wagon drew up. The excuse given was that the alarm sent the department on the wrong track and that after further confusion due to a misunderstanding over the telephone, the department found itself several miles from the fire.

Jasonville with its \$300,00 fire loss is the most striking example of inadequate equipment, small water supply and the combination of dry weather.

## WORK IS GOING FORWARD

Cornerstone of New Building May be Laid Within a Month.

Work is progressing rapidly on the new school building which is being erected on the east end of the Graham school lot. The excavation has been completed and the concrete foundation is now being built. The cornerstone laying, it is estimated, will take place within a month. ## ANOTHER ONE FINED
